## Feed the Need

and celebrate ADFAC's  
22<sup>nd</sup> anniversary!

# Thursday October 22

On Thursday, October 22, restaurants across Anderson County will be partnering with ADFAC to "Feed the Need." On this date, ADFAC is encouraging local residents to eat out (and often!) at their favorite participating restaurants; in turn, participating restaurants will donate a significant portion of their sales to support ADFAC's many charitable services.

Restaurants are still being added, so be sure to check *The Oak Ridger*, *Oak Ridge Observer* and *Clinton Courier* for updated lists in the coming weeks.

Mark your calendars and get ready to

## Annual Meeting set for October 19

Plans are underway for ADFAC's Annual Meeting, to be held this year on Monday, October 19 at 5:15 in room 102 of the Activities Building at First Presbyterian Church of Oak Ridge.

The Annual Meeting will celebrate ADFAC's many accomplishments, highlight the upcoming Feed the Need event and honor some of ADFAC's most dedicated supporters. All members, supporters and friends of ADFAC are welcome and encouraged to attend the Annual Meeting. Light refreshments will be served and ADFAC staff and board members will be on hand to answer questions.

Also at the meeting, the Nominating Committee will present the 2009-2010 Board of Directors:

- Sherry Livengood, President
- Cande Seay, Vice-President
- Mary Lou Daugherty, Secretary
- Dave Mullins, Treasurer
- Darrell Daugherty
- Jennifer Dixon
- Sally Haywood
- Kathy Johnson
- Sheri Jones
- Keith Joy
- Tom Marshall
- Charlotte O'Neil
- Faye Orick

Nominations for additional board members can also be made from the floor during the meeting.

The new board includes newcomer Faye Orick and prior board member Ray Smith. Orick is a resident of Campbell County and Purchasing Manager for Burns and Roe in Oak Ridge. Ray Smith is rejoining the board after some time off.

Long-time board member Tim Myrick of Powell will be stepping off the board this year, but will continue to volunteer his time to ADFAC in other ways.

Please plan on joining us as we celebrate ADFAC!

## Affordable Housing Happenings

*Fall is a busy time for ADFAC's Affordable Housing Program!*

Bronzie Harris, ADFAC Construction Manager, just completed the Resnet Home Energy Rater System (HERS) training and after completing additional requirements will be considered a certified rater. This will give Bronzie the ability to conduct Duct Blaster and blower door tests on all ADFAC homes and determine if they meet Energy Star Standards.

AmeriCorps is going to be providing us a Volunteer Coordinator! Our partner, Appalachia Habitat, has secured the grant and will coordinate this position for the region. We are delighted to receive this position; it will make a tremendous difference in our ability to coordinate projects that are completed by volunteers on a regular basis.

The Affordable Housing Program just received a very valuable donation - **PROPERTY!** An Oak Ridger saw an article in the paper about our new build single homes, liked what we were doing and decided to donate land to ADFAC! This has saved us many dollars - and now we will build a home for a family in a nice Clinton subdivision.

AHP currently has 2 new constructions going on simultaneously. This is the first time we have engaged contractors to build single family units that are situated right next door to each other. Both houses began in July and should be complete in October. The two homes will make the 5th and 6th new homes constructed in Oak Ridge.

## Over 1,350 students receive school supplies

Over the course of several weeks this summer, more than **1,350** students were served through ADFAC's School Supplies program.

This number includes the students that came to ADFAC's offices to choose their supplies (1181), but also includes students that have been assisted through a new program offered this year. 11 Anderson County schools received a box of school supplies to be used as needed for low income families, serving an additional 100+ students. Two schools in Morgan and Roane counties also received boxes, serving about 15 students at each school.

Special thanks to all the Social Services staff and volunteers that all pulled together - it would not have been a success without all of their help!

*This young lady is one of the hundreds of Anderson County students to receive a brand new backpack full of supplies for the school year.*

Wendie Aurin, Roxy Benning, Roni Boyd, Janet Butturini, Cheryl Carden, Kathryn Chou, Cynthia Dais, Lola Estes, Alice Feldman, Leigh Frost, Ashley Haas, Gina Hanna, Sally Haywood, Mary Jellison, Tim & Teresa Myrick, Kathy Peacock, Irene Sullivan, Mary Underwood, Heidi von der Lage, Pat Wenk and Tatanya Winter - thank you all for your tireless work!

Thanks are also in order to ORAU, B&W Y-12, the PeyBack Foundation, Variety of Eastern Tennessee and numerous churches and businesses for their contributions.

## Membership donors recognized

*Many thanks to these additional individuals for their generous donations to the 2009 ADFAC Membership Drive. Contributions made after publication time will be listed in the Winter Newsletter.*
